EDUCATION

Alva's Institue of Engineering and Technology   *December 2020 - Present*

Bachelor of Engineering in Computer Science and Engineering(CGPA: 7.30)   *Karnataka,India*

OBJECTIVE

Looking for an entry-level position at a growing firm where I can put my relevant experience and education to use, provide value to the success of the organisation, and learn and develop in the position.

PROJECT

System for Managing College Club Membership

(HTML, CSS, JavaScript, PHP, MySQL)
The project's goals include streamlining club activities and enhancing communication between participants, leaders, and administration. Students can sign up for clubs using the system, check their information and activities, give comments, and contact the administration with questions. To keep everyone informed, the administration can publish messages, change coordinators, and update club information.

ACHIEVEMENTS

- Secured all India rank of 88 in Codechef Long Challenge in the month of April 2023(START84D) among 16k+ participants

- Highest Rating in CodeChef - 1313
